FOOD ADULTERATION.—Dr. Tripe, public analyst of the Hackney district, reports, that all the samples of cocoa he examined, except one, were sold as mixture of cocoa arrowroot and sugar, the exception being Cadbury's Cocoa Essence, which was genuine. The quantity of starch in the other samples varied between 67 and 80 per cent., so that allowing for sugar there was not in some of them more than 10 per cent of cocoa. An article like this was comparatively valueless as a food."

FRIEND OF ALL.

HOLLOWAY'S PILLS.
WORLD-KNOWN—WORLD-TRIED.

Purity of Blood Essential to Life, Health and Strength.

These Pills surpass all other known Medicines for Purifying the BLOOD ; being safe and yet effective, they are available for all as a Domestic and Household remedy. In congestions and obstructions of the LUNGS and LIVER, they quickly remove the cause of the disease, and in constipation and disordered condition of the BOWELS, they act as a cleansing aperient, removing irritant matter from the intestinal canal, and relieving spasms, cramps, and painful gripings.

Bilious Headaches, Nausea and Foul Stomach, Loss of Appetite, and Lowness of Spirits.

The cleansing properties of these Pills soon produce a wonderful change in the constitution, removing all excess of bile, headache, palpitation, pains after eating, and giddiness. They restore the appetite, clear the complexion, and improve the general health.

The Mother's Friend. Females' Specifics.

Every Mother of a Family should know the value of these Pills in removing all accumulations and restoring suspended or perverted secretions ; at various critical periods of female life they are useful beyond measure ; they can be taken safely by females of all ages, and are invaluable in all children's complaints.

Sciatica, Lumbago, and Obstructions of the Kidneys.

If these Pills be taken regularly every night, in strict accordance with the printed directions ; the most obstinate cases will soon yield, the secretion from the kidneys will become clear and limpid ; no function of the body should be more carefully watched ; most serious consequences ensue from neglect in this respect.

Sore Throats, Diphtheria, Coughs, Colds, and all Bronchial Affections

should be immediately treated by these Pills, which will, when combined with the effectual use of the Ointment to the part affected, afford such a measure of relief as is scarcely credible ; the joint agency of the two remedies is so potent that every formidable pulmonary affection becomes amenable to this treatment.

Debilitated Constitutions, Tremblings, and Loss of Nervous Energy.

These Pills are unsurpassed as Nervine Tonics ; they correct all irregularities and weaknesses. They act so kindly, yet so energetically on the functions of digestion, that the whole body is revived, the blood is purified, and the muscles become firmer and stronger ; therefore sufferers from Nervous Weakness in every form should give them a fair and honest trial.

Holloway's Pills are the best remedy known in the world for the following diseases :—

Ague	Headache	Stone and Gravel
Asthma	Indigestion	Secondary Symptoms
Bilious Complaints	Liver Complaints	Tic-Doloreux
Blotches on the Skin	Lumbago	Ulcers
Bowel Complaints	Piles	Venereal Affections
Debility	Rheumatism	Worms of all kinds
Dropsy	Retention of Urine	Weakness from whatever cause, &c. &c.
Female Irregularities	Scrofula, or King's Evil	
Fevers of all kinds	Sore Throats	
Gout		

The Pills and Ointment are sold at Professor HOLLOWAY'S Establishment, 533, Oxford Street, London, also by nearly every respectable Vendor of Medicine throughout the Civilised World, in Boxes and Pots, at 1s. 1½d., 2s. 9d., 4s. 6d., 11s., 22s., and 33s. each. The smallest Box of Pills contains four dozen ; and the smallest Pot of Ointment one ounce.

Full printed directions are affixed to each Box and Pot, and can be had in any language, even in Turkish, Arabic, Armenian, Persian or Chinese.

N.B.—Advice can be obtained, free of charge, by applying at the above address, daily, between the hours of 11 and 4, or by letter.

Important to all who Sing.—From S Pearsall, Esq Vicar Choral of Lichfield Cathedral :—A lady of distinction having pointed out to me the qualities of Dr Locock's Pulmonic Wafers, I was induced to make a trial of a box, and from the trial, I am happy to give my testimonial in their favour. I find by allowing a few of the wafers (taken in the course of the day) to gradually dissolve in the mouth, my voice becomes bright and clear, and the tone full and distinct. They are decidedly the most efficacious of any I have ever used," In Asthma, Consumption, Bronchitis, Coughs, Colds, Rheumatism, *and all Hysterical and Nervous Complaints,* instant relief and a rapid cure is given by the Wafers which taste pleasantly.
