OVER TWO THOUSAND Insolicited Testimonials have been received from Medical Men. IMPORTANT UNSOLICITED TESTIMONIAL FROM

T POYNTZ WRIGHT, Esq. Medical Officer of Health, New Street, St Neots. New Street, St Neots, January 28th, 1894 I have much illeasure in giving you my experience as to the " Meatland Malt Wine" received from you some time since, and in hearing testimony us to its value as a recuperative and restorative agent. In the early part of hist year my wife was seriously unwell, suffering from loss of thesh and appetite together with mental and bodily exhaustion, and sleeplessness. She was under treatment for a considerable time without relief, and I at last

distermined to try "Wincarnia." The effect was marked, and convulesence coinmenced from that date; the appetite returned and the weight hourly ancreased, and in about two months the health was restored, and this result was in a great measure attributable to the use of "Wincarnis" -of this I feel certain, that in many cases this preparation is a most valuable aljunct to medicinal treatment.
