LONDON LETTER.

MEROUGH OUR PRIVATE WIRE). ol Fleet Street, Tuesday Night, Asquith and Mr. Macpherson.

Two things well worth noting were said Mr. Ascath to-night at the meeting of he Eighty Cinb. One was his reference to the extraordinary speech by Mr. Mac-the extraordinary speech by Mr. Mac-thersen in the House of Commons last of have never heard or read a the chief point of Mr. Asquith's speech in the color to Ireland was its unqualified admission that Mr. Gladytone became a Home gater because he had tried coercion and bad failed, and that coercion always not fail. Another saying of Mr. Asquith was an obvious reference to the Gosecurem a Bill was that it would be fatal the future of Ireland, "For any sysset of Self-government to be forced by cheer against any section of the Irish community. Finally, his most impressive mediac was the warning that everyone allo came from America-one does not and to juncy long to reflect which of Mr. against rolleagues must have been in be mind-realised that the great obstacle to Argin American co-operation was the of Great Britain to apply to Ireprinciples of civilisation.

The Diamond Case.

affect last to testify to their knowledge of doing nothing. Arbitration.

So Arbitration was General desperate, and demands an immediate remedy, and I do not believe that there is any hope of a solution either by the conductive was been averted. The dispute cross of a Constitutent Assembly or by attemptioner a demand for a wage across of 10s. controls. This seems to me an absolutely blood.

By-Elections.

the episoition. Mr. George's Party feels regard, and every fresh eet of had regord spirits. Some Lobbyists at West Ministers will add to the already terdent. the result might determine Mr. George to sincerely, rash a general election fairly early. It was argued that while the Liberal and Labour Parties are still working independently, there will be immumerable cases of apin voting, and so touch the better prospect for Crabuon candidates. It is almost inevit able in the long run that the Liberal and Labour Parties will fix up an arrangement, and it would therefore be a good, ica. Meanwhile something "yeterious is Alacoque, largening in connection with the Irish vote so that it is of considerable importance, To- Barlassinas as Patriarch of Jerusalem.gisht's "Westminster Gazette" declares that Reuter. is lash electors have revolted against the British constituencies to Labour candidates. Inc. is mere nonsense. There is no such artagement. It was not Mr. T. P. O'Confor or any other leader, but the Convention | direc. In the case of Stockport there is evening, to "revolt," and there will be none. Cil if the candidates in the field, or in prospect, the Labour candidate, Sir Leo Money, to the only one for whom an Irish Nationalist orth rete. There is a Bottomleyite candistate, and a Coalition candidate is to be seminated by Mr. George and Mr. Bonar tota for either of these. One can under-"and the "Westminster Gazette's" petutage at the Irish vote being diverted from the Laboral Party, but it might try to deal tene fairly-and intelligently-with the water. To go on as it does, to talk of the lash electors running an independent can-
