LETTERS TO THE EDITOR

Dear sin.—Mr. John Sweetman says that Seeing that Æ in his own organ of the 5th inst has written a leading article on "the inspectation and a lack of feeling for the matters. I do not know if there is one main in the says and a lack of feeling for the matters. We Sweetman who would derive some the provided word," may I crave a few lines of man, a presided.

Seat

Seeing that Æ in his own organ of the 5th inst has written a leading article on "the inspectation of the Eathmines Orbital Council yesterday, chiled to co-opt a member in place of Mr. James Dwyer (8.F.), disqualified, Mr. Robert Bonson, J.P., chair inevitable word." may I crave a few lines of the lack of the council yesterday, chiled to co-opt a member in place of Mr. James Dwyer (8.F.), disqualified, Mr. Robert Bonson, J.P., chair work and the council yesterday of the Rathmines of the council yesterday, chiled to co-opt a member in place of Mr. James Dwyer (8.F.), disqualified, Mr. Robert Bonson, J.P., chair work and the council yesterday of the Rathmines of the council yesterday, chiled to co-opt a member in place of Mr. James Dwyer (8.F.), disqualified, Mr. Robert Bonson, J.P., chair work and the council yesterday of the Rathmines of the first that instruction of the first has written a leading article on "the first have been council yesterday." I would be a second of the Rathmines of the first has written a leading article on "the first has written as the first has written a leading article on "the first has written as the first has

finge. - Yours faithfully,

BRITISH TAXATION SCANDAL Sir-The prejudicial effect upon Ireland of some of the Budget taxes of last year has not been properly appreciated or brought home to the average taxpayers in Ireland-I refer

specifically to the present taxes upon motor cars and their accessories, and pinnus. Upon the introduction of these taxes last year it was stated by several members of the their introduction was that the manufacturers pary when they marched in procession fitted he could were it, required time to "stabilise their industries" through historic West Belfast. I would sug. This last amendment while placing them on a peace footing. So gest to the Dublin veterans to organise one and Dr. Lynn proposed that Mr. George Daly far as England was concerned, the reason on the same lines. In Dublin we could have be co-opted, with the same result. given had some foundation in fact, although a procession second to none in the United the net results were that the amount of such Kingdom of men who were not conscripts duty (one-third of the cost or value) on similar foreign goods found its way into the original resolution in regard to the original resolution. The 1907 Loan was issued in Paris and proceed to vote on the original resolution. Boding shore prices.

When the Chamberlain regime ends, or his disascent found in these financial bogoys are buried, I think textiles and the rest of the Light Brigade that the financial bogoys are buried, I think textiles and the rest of the Light Brigade that the financial bogoys are buried, I think textiles will be leaders in expanding share prices.

Boding from Foreign Government Bonds in these financial bogoys are buried, I think textiles and the rest of the Light Brigade that the price of motor cars and distance of the council were shared in the rest of the Light Brigade that the price of motor cars and light to the price of motor c pianos, thus depoving the public of the justice. were repudiated, and the hapless customers were in the dilemma of having to forego their tars or be forced into paying the increased

Ireland, having received no connensation directly or indirectly, for any restraint on her trade, ought not in justice or in common honesty to be made subject to such restraints. Parliament of Great Britain to make laws for the trade of Ireland-I only speak of the laws it is right for Parliament to make." And again, Burke, replying to the "severe of Ireland's rights, exclaims:--

Britain for no other purpose than that we bounty has been liberal that we are to regard

minent part in the debates on the Union, told O'Coppell that the motive of the Union was an intolerance of Irish hadostry. In his State Trial, O'Connell said: "I have the highest authority-an ornament for years of Bench (L. C. J. Bushe)-for saying that the motive for carrying the Union was an in-telerance of Irish prosperity." the Recorder of Dublin at the City Sessions

telerance of Irish presperity."

**B" says: "The old industrial jealousy is yesterday.—
