## LEADING POLITICAL EVENTS.

Resume of the Week's Doings.

"MUCH STERNER," SAYS LLOYD

The United Trades Sports, postponed from leave.

Mr. Lloyd George, the English Prime ment in this country is out to prevent any vous, there was perhaps, no section of the Minister, threatens the Irish people with social reconstruction in Ireland. Never Bazaer so well or so deservedly natronised night. Thanks to their efforts comparative "much sterner" measures that have up to theless, the business of the whole people as the Cinema, where an excellent series the present been taken against them. It of Ireland is to continue its constructive of films were shown, the programme being is difficult to see how even English militar- work. Now that the suppression of crime completely altered each evening. The tea ism can discover a "much sterner" regime in Ireland has been made illegal, and men stalls and refreshment saloon had an abunthan that which at present exists. If are being arrested and imprisoned for en- dance of visitors to deal with. heavy and continuous as on last shooting at sight, the sacking of towns, deavouring to enforce the common law, from the Races at Garrycastle had to con- of houses occupied by women and children be filled once more. In spite of this risk divided attention from young and old. tend with a drenching downpour, which be not "stern" enough, it is not easy to of arrest and imprisonment, all good Re More or less an innovation in Athlone, the understand what will satisfy these defen- publicans will continue to suppress crime, Aerial Flight and the Mountain Slide were ders of small nationalities. One thing, and and to bring criminals before the Courts never-failing sources of attraction, and only one, they have not yet tried-a house of the people, and having at these Courts they were productive of both amusing and to house claughter. That, or a massacre of given them impartial trial, will punish thrilling incidents. An added feature of some sort may be among the "much them adequately. We must not allow the interest, and one which was found expiece has, within the last week, justified circulars of Dublin Castle. Our business discoursed by the Athlone Brass and Reed and they the action of General Dyer in India. No is to persevere in this, as in all our other Band. doubt these people hope that an Amritsar activities, for the welfare of the re-estabwill settle the Irish question. But the lished Irish Nation, in spite of the armed Irish people will have something to say to might of an alien aggressor.

who THE FAILURE OF BRITISH REPRESSION.

More important to us, however, is the confession of absolute failure which is imindependence has driven the English Government to despair of ever again creating of those who polled. Last month eightythree per cent of those who voted cast their
votes in favour of the Republic. All the
