The Prime Minister yesterday saw Sir Hamar' Greenwood and Sir R. Horne.

An inspired statement was published by the news agencies saying that there had been no direct offer from the Premier. The position of the hungerstrikers, it states, up to the present is that their demand is for unconditional release, and never once has any suggestion reached the Government that improved conditions in Ireland would result from elemency.

The Miners' Executive decided to accept Sir Robert Horne's invitation for a conference to-day. The Trades Union Congress at Portsmonth yesterday adopted unanimously

a resolution in the same terms as that of the Triple Albance, supporting the Miners' claims as reasonable and just, and expressing the opinion that they should be conceded forthwith.
