Handball Flourishes In South Africa

A letter from Mr. B. Muldoon, Germiston, South Africa, was read at the County Board meeting on Thursday night.

In it the writer stated that the new Cathal Brugha handball alleys there were blessed and opened by Rev. Fr. T. McGrath, O.M.I., on Easter Sunday, before a large gathering of Irish friends.

The game of handball, he added, had become very popular there, especially among the boys attending the Christian Brothers' Schools at Boksburg.

Members of the County Board expressed pleasure with the report.

CONGRATULATED

Proposing a vote of congratulation to the Galway football team on their victory over Tyrone, Mr. J. Duggan expressed the hope that Galway's hurlers would follow their good example in next year's championship.
